

Be the change you
wish to see in the
world

Ida Texell

**What world do
you want to
live in?**

Prioritised areas

1. An equal society
2. Sustainable cities
3. Circular and socially beneficial economy
4. Strong private sector with sustainable business models
5. Sustainable and healthy food and supply chain
6. Enhanced knowledge and innovation

Suggested measures regarding:

- A. Involvement of parliament
- B. Organising Government
- C. Government agencies' responsibilities
- D. Financial governance
- E. Regional and local implementation
- F. Communication, public education and awareness

Suggested measures

Government:

- Education for Sustainable Development in pre-, primary and secondary school
- Integrating the 2030 Agenda in regional growth policies
- The 2030 Agenda in community planning

Delegation:

- Identify areas of operation demanding collaboration between municipalities in the implementation of the 2030 Agenda
- Initiate closer cooperation with SKL (Swedish Association of Local Authorities and Regions)

Now what?

- The Delegation's continued work:
 - supporting and stimulating the implementation
 - in-depth analysis focused on the six prioritised areas
 - continued dialogue with stakeholders regarding cross-cutting and sector-specific issues
 - March 2018 – report: update on process
 - March 2019 – final report
